CLASS DESCRIPTIONS

DRAWING and DRAWING/PAINTING

Have FUN or learn something new, build a strong portfolio or perfect your drawing and painting skills. Classes are open to all skill levels. Drawing and Painting classes are geared to allow students to advance at their own pace using the medium of their choice (pencil, pen and ink, charcoal, pastel and oils). Students can work from still-life or photograph. New students are encouraged to learn drawing BEFORE painting. Students are free to explore a new medium using studio supplies. All mediums can be purchased in the "Studio Store" (a minimum supply list is available for each medium). There is a break during each class where paintings are shown and techniques are discussed. Bring your own materials.
